REMARKS

Applicant has amended the claims to more clearly and particularly point out the invention originally disclosed. The claims, as amended, add no new matter as each amendment finds proper support in the specification as originally filed.

Accordingly, Applicant believes that the application is now in condition for allowance, and respectfully requests the same. In the event there remains any impediment to allowance of the claims that could be clarified in a telephonic interview, the Examiner is respectfully requested to initiate such an interview with the undersigned.

DATED this 22 day of November, 2004.

Respectfully submitted,

Brian C. Kunzler
